Dear Campers;

We would like to thank you for your interest in the 8th Annual John Cook Memorial Basketball Camp. John Cook was very dedicated to involving Kingston's youth in sports. He devoted many volunteer hours to help develop positive character traits which make our youth happy and contributing members of society. "Coaching youth sports should be about adults nurturing children who are playing a game, whatever that game maybe, not about winning and losing" (John Ovellette). Mr. Cook managed to do just that! The Parks and Recreation Department was proud to have had John Cook assisting us with our youth programs.

Our Staff is excited to bring you a great camp experience this August. We are committed to each and every participant to give them a positive, quality and fun filled basketball experience. With an excellent staff, we will motivate campers to reach their potential within the bounds of good sportsmanship.

Come and join the fun for a great session of basketball. We look forward to seeing you there!
